

Romania - Hungary**INVITATION TO PARTICIPATE IN THE E2U-AI PROJECT**

Dear students, academic staff, and representatives of partner companies,

The **Faculty of Economic Sciences, University of Oradea**, is pleased to invite you to attend at the experience exchange workshop organized within the project “**Exchange of Experience for research and usage of Artificial Intelligence' Advanced Techniques in finance, accounting and business administration in Bihor-Hajdu Bihar Region**” (E2U-AI), project code ROHU00120 carried out in partnership with the **University of Debrecen – Faculty of Economics and Business**. The experience exchange workshop of the ROHU 00120 project will take place on 10 October 2025 at 10.00 in the amphitheater F003, building F, University of Oradea, Oradea, Universităţii no. 1, Romania

The project is funded by the Interreg VI-A Romania – Hungary Cross-Border Cooperation Programme and aims to strengthen institutional collaboration across the border, focusing on advanced Artificial Intelligence (AI) techniques applied in finance, accounting, and business administration.

This workshop is organized within the WP4 Exchange of experience for research, test and usage of AI' Advanced Techniques. Models developed using advanced artificial intelligence techniques in finance, accounting and business administration in the Bihor-Hajdu Bihar region will be presented, as follows:

Associate professor PhD Alexandru Constăngioară - *Identifying the determinants and ecological benefits of adopting AI in supply chain logistics*

Professor PhD Victoria Bogdan: *Exploring the nexus between accounting estimates disclosure and business reporting quality by AI methods*

Professor PhD Diana Sabău-Popa: *The Impact of AI on the Competitiveness of the EU' Digital Economy*

Your participation is essential for enabling knowledge transfer and best practice sharing between academia and the business environment, thereby fostering innovation and enhancing the economic decision-making process across the border region.

We warmly invite you to become part of this international initiative, combining research, innovation, and active collaboration for a smarter, more sustainable economy!

For more information and the activity calendar, please contact us at: dpopa@uoradea.ro

With kind regards,

The E2U-AI Project Team
