

## QS ALUMNI SURVEY 2025

You are receiving this invitation on behalf of **University of Oradea** to participate in the **QS Alumni Survey**. The survey is being run by the higher education company QS because your institution is undergoing QS Stars.

QS Stars is a rating system which allows universities to be measured against a set of standards (not to be confused with rankings, which measure universities against one another).

The purpose of the survey is to find out how you have fared with employment since graduating, helping us to measure the graduate employment rate of your university.

We would appreciate it very much if you would complete the survey before

**The 20<sup>th</sup> of November 2025**

Please note that it will take only a few minutes to complete it, which must be done in one session. You can access the survey by following the link below:

Please ensure that you select the correct options for the questions “*Select the broad subject area that your most recent program/course falls within*” and “*Select the subject/specialisation which is nearest to your most recent program/course*”. Your response will not be counted towards specialisation criteria if it is incorrect.

Thank you for your time and we look forward to receiving your responses.
